

2020 Chapel Hill Expert Survey United Kingdom - CovidUpdate

Start of Block: Welcome and Instructions

Welcome! Dear colleague, We are contacting you because you have been identified as an expert on political parties, public opinion, elections, or legislative behaviour in the United Kingdom. Our goal is to collect comparable estimates on political party positions across Europe. This follows previous studies which CHES has conducted since 1999. We would like you to answer all questions, however you have the option to skip questions or parties unfamiliar to you. We would rather that you return an incomplete questionnaire than no questionnaire at all. All responses are anonymous, and no identifiable personal data is collected in this survey. Data will be treated in the strictest confidence, under the terms of the GDPR and it will be used solely for the purposes of the CHES survey. Queries can be sent to the Survey Administrator, Ryan Bakker (r.bakker@essex.ac.uk)

Thank you in advance for sharing your expertise with us!
